

PARISH REPRESENTATIVES TO THE RECONFIGURATION TEAM

Father Petringa has asked the following members of our Parish Finance and Pastoral Councils to join him as members of the group that is charged with making recommendations to Bishop O'Malley for the reconfiguration of the Belmont/Watertown Cluster: Kathryn Kenrick Whittmore, John Pacetti, Lee-Ann Dolan, and Mary Cieslik. They will meet with five representatives from each of the other parishes. Please keep all of them in your prayer as they carry out their difficult work.
