

FROM THE PASTOR

Having been in the process of reconfiguration for a few months now, we sometimes can get overwhelmed and worn out by the meetings, the rumors and the anticipation. As we await the Archbishop's decision, there is much good news that we should not ignore. There have been some beautiful moments recently in our church: the celebrations of Confirmation and First Eucharist, as our young people received these Sacraments of Initiation and continue on their faith journey; the weddings we have celebrated here in recent days and those that are to come in the weeks ahead; the reception of two candidates into full communion in our faith which we will celebrate on Sunday, May 23. These moments are filled with hope for our parish, for our church and for us.

We have also have had the good fortune to find a new tenant for our school. Beginning on July 1, the Waldorf High School will begin moving in and preparing the space for their students who will arrive in September. We look forward to their presence and having new neighbors who will bring new life to our school building and community. We welcome them and wish them well in their academic endeavors.
