

FROM THE PASTOR

These days are a time of giving thanks for many reasons.

We are most grateful to the Ladies Sodality of our parish for their very generous gift of \$500. This is the result of their efforts and fund raising. Their gift will help us in our charitable works and projects around the parish. Thank you!

The Sodality members and so many others in our parish are persons of prayer. We need to give thanks to all of you who have prayed so fervently these past months during the reconfiguration process. It has been prayer that has sustained us and prayer that will help us move forward in the days and months ahead as we do our part to “rebuild the church” in our corner of the Archdiocese.

We give thanks to the members of the Parish Pastoral and Finance Councils who have done much of the work of the reconfiguration process in what has seemed like countless meetings with our neighboring parishes. For their time and efforts we are grateful.

And, for all of you who have so patiently and faithfully awaited this week’s announcement, thank you for your prayerful support during these difficult times.
