## Lenten Blessings to You!

Enclosed you will find a Lenten Schedule for the four parishes of the Belmont/Watertown Collaborative. We offer this to all our members as an incentive to take advantage of this important time to refresh and renew one's relationship with the Lord and to serve a broader community.

We live in hectic times which demand a constant discernment of how we will live and how we set necessary priorities in our lives. Because often God is placed "on hold" we need to be reminded how better our lives become when we stay connected to God. The Church in its wisdom offers that reminder during the Season of Lent.

**Lent is a time of reflection, conversion and change** -- a time of interior preparation for the celebration of Holy Week and Easter. Lent is a time, if we're feeling a bit hopeless, to remember that **EASTER is about HOPE** – hope in resurrection, hope in life after death – no matter how large or small all the "deaths" of our life may be.

This brochure is a gentle invitation to come and meet the Lord once again and know his LOVE. We are here for you and we welcome you and your family. *CHECK your Parish Bulletin and Website for further information.* Do not be alone! Please call us if we can be of help. There is a community that can care for you and be with you. May God bless your Lenten season.
